Financial Audits and Financial Information,

The City of Encinal has experienced delays in processing Financial Audits for the fiscal years 2018-2022 due to the slowdowns during the Covid-19 pandemic period that began November 2019 that lasted until early 2022.

However, in an effort to provide financial information the city will post unaudited financial information for these time periods on our city website.

Our staff and Auditors are working to complete these reporting requirements, we will continue to post updates and/or completed audits/financial information as they become available.

Thank you,
